

Nieve Yepez

nieve.yepez@ucdenver.edu

Education

Highschool Diploma

Thomas Jefferson High School

May 2023

Bachelor of Science, Biochemistry

Minor: Biology

Metropolitan State University - Denver (GPA: 3.25/4.00)

Graduation May 2027

Research Experience

MAP Intern, RNA Bioscience Initiative

University of Colorado School Anschutz Medical Campus

Department of Biochemistry and Molecular Genetics

July 2024–Present

- Mentored under Dr. Sujatha Jagannathan, RNA quality control in yeast
- Present findings to peers and researchers

Relevant Coursework

- Biology I and Biology Lab I
- Ethics in Medicine
- Dynamics in Health
- Chemistry I and Chemistry Lab I * (Fall 2024)

Skills

- Familiarity with gel electrophoresis
- Familiarity with compound light microscope
- Familiarity with micropipette

Professional Experience - TBD

Volunteer Experience - TBD

Leadership Experience - TBD
